Copyrights Policy

1. All materials, articles, designs, and photos on the GemstoneArtist.com web site, unless otherwise specifically noted or credited, are Copyright © John Bailey, Inc. and GemstoneArtist.com, with their respective original dates of first posting. Reproduction or use in any form requires prior authorization.
2. Please ask before using our materials. I've never denied permission for using my articles, photos, etc. for educational purposes; for publication in gemological or jewelry industry journals, guild newsletters, etc. I generally only ask for three things:
 - a. The courtesy of being asked permission.
 - b. The courtesy of attribution.
 - c. The courtesy of a copy of the presentation – and sometimes approval of the presentation prior to publication.
3. Reproduction or use without prior authorization is a violation of Copyright law – and will invite the pursuit of every legal remedy thereunder.

Thank you for asking!
